Beckham Tells Commission Farm Center Arena Looks Like Hog Pen

The Coffee County Commission met in regular session on Monday, November 13, at the courthouse annex in Enterprise and heard Commissioner Benie Beckham declare "The arena at the Farm Center looks like a hog pen."

"I went to the Farm Center the other day and was shocked at the condition of the arena. The trash was either left on the arena floor or just piled up in a corner. The whole place looks like a hog pen. The arena needs to be cleaned after every event, not a week later. No wonder they've got rats - the place is a mess."

"The restrooms are also filthy and the toilets need repairing," continued Beckham. "I was ashamed of the building."

Commissioner Reeves spoke up, saying, "If the Wrestling Association can't clean up the place, we should run them out!"

"I went by today (Monday)," stated Commissioner Glimmer Grant, "and it was unbelievable. The building was a mess. It was disgraceful."

Commissioner Rex Boutwell said, "If they won't keep it clean and won't pay to have it cleaned, we'll have to ask them to move out."

After a lengthy discussion, the commission agreed that some action must be taken and instructed Commissioner Boutwell to contact the wrestling officials and try to get something done.

The bi-monthly meeting actually began at 10:00 a.m., with all the commissioners present. Present were Glimmer Grant, Rex Boutwell, Jack Hornsby, Don Smith, Max Reeves and Benie Beckham. Also present were Probate Judge James L. Sawyer, Clerk Brunese Winston and County Engineer Leslie Mullins.

The meeting's first order of business was to open proposals on updating tax maps and property appraisal work. Only one bid was received for the updating of tax maps, and it was \$20,625 from Southern Cadastral.

Submitting bids for appraisal work were Southern Cadastral - \$22,500; Jerry Smith - \$30,000; and Coston Barlow - \$14,500.

Tax Assessor Mac McKinney asked the commission to "hire an appraiser as soon as possible. There are over 3,500 changes to be made on property cards, and it needs to be done now."

A representative of Southern Cadastral was present and told the commission that the county has a lot of money tied up in tax records, but stated, "Due to a lack of updating the cards, all you have is a pile of junk."

The commission decided to check with the State Department of Revenue on whether or not all bidders are approved before awarding a contract.

County Attorney Warren Rowe addressed the commission and reported on the results of his meeting with legal representatives of Solid Waste Enterprises. "I have worked with the lawyers for quite a while and I feel we've got a proposal that is fair to everyone."

The new agreement would call for a fee of \$4 per container, per pickup, instead of the present rate of 75¢ per cubic yard. Solid Waste Enterprises reported its expenses were \$1092 a month, while their total billing was only \$104 a month. Under the new agreement, the company would continue to lease 250 containers from the county, but would now have total control over the remaining containers.

"All this does," said Rowe, "is get the county out of the container business. The total cost will be \$4 per pickup and the people will know the total cost. There will be no hidden charges."

The commission discussed the matter, but took no action and made no promise to do anything.

Judge Sawyer presented the Commission with a letter from the Coffee County Bar Association which stated the local Bar Association was interested in seeking an end to the courthouse problem. The lawyers united and passed a resolution that asked the commission to build a new courthouse in Enterprise and remodel the one in Elba.

Commissioner Jack Hornsby asked "Are they going to buy the land to put it on?"

"I will act as a spokesman for the lawyers," said Warren

Rowe, "and we feel since there will never be one courthouse, we should fix what we have."

The Commission agreed to meet with the Bar Association, but again failed to make a statement concerning the always controversial issue.

Judge Gary McAlley met with the Commission and discussed a Youth Diagnostic and Detention Center to be built in the area.

"I met with Federal LEPA officials last week, and they are considering building a Youth Diagnostic and Detention Center," said McAlley. "The building would cost \$500,000, the payroll and then pay all the bills we can."

Mrs. Winston estimated the county would be \$900 short at the end of the month, but said, "Hopefully we'll get in enough money to squeeze by."

In other action at Monday's meeting, the Commission:

Approved Mr. Jim Wilson report the State had agreed to turn over old 231 to the county and asked the county to split the road so he could get to his land (The old roadway is covered with abandoned cars);

Approved requests by the State Rail Plan and the Brundage Retirement Center, for federal funds;

Read a letter from Mayor Robert Folsom of Elba, asking for help in acquiring a bulldozer and a crane from Civil Defense for work on the levee;

Were reminded "Keep Off The Grass" signs are needed at the Farm Center;

Discussed the need to strip and wax floors at the Farm Center Office Complex;

Agreed to use a demonstrator duplicator placed in Court house;

Agreed to send out invitations to bid on pipe; and

Paid bills.

County Engineer Leslie Mullins addressed the Commission and reported:

Pians were progressing for reworking the dirt roads in a subdivision across from McCall's Store in the Shiloh Community. The only obstacle is in erecting railroad crossing signs across the two crossings.

There had been only one application received for a heavy-duty mechanic to work with the Highway Department.

BRAINSTORMS

WITH FERRIN COX

A judge in a Denver small claims court has ruled that a landlord must pay the cost of a tenant renting a post office mailbox because the one at his apartment is continually broken into. Also, the landlord must also pay the cost of the renter getting to the post office. Now surely, a higher court will throw out this crazy ruling, but then crazier ones have been allowed to stand long enough to become law. If this is allowed to stand, then the woman who has her pocketbook stolen can get a replacement of her purse, money, etc. from the seller, the maker or maybe YOU. Sound crazy? Well what about income tax, social security taxes when they first started . . . or our "right" to government paid medical care, our "right" to draw welfare from the government, our "right" to a certain standard of housing, even if the government must build it. The list is endless, but the ability to support the list is in short supply.

Well, last week we wondered aloud about something to fill the pages of newspapers since the elections were over. In Coffee County we always have the courthouse issue that we would rather talk about than do anything about. The lawyers have made a proposal, again Roy Shouter at THE ENTERPRISE LEADER doesn't like their idea, and us, well, we want fishing. We didn't catch any fish, but then we were just as productive as those debating the courthouse. We laughed out loud last Wednesday morning when a local lawyer called to inform us of the Bar Association resolution. Our question was how are you going to pay for anything when the county commission is already broke and borrowing money, and the voters were busy voting a lid bill the same Tuesday the lawyers were doing all their planning?

Now the "Lid Bill" or amendment won at the recent voting. As we have been predicting ever since it became apparent that the legislature was going to pass the two handed money, the law suits have begun. I am afraid they will kill the parts we like and leave us with a law that has only the bad parts, and boy there are enough of them in this bill.

We would like to personally shake the people (and it took more than one) who stole the big speaker from the high school auditorium recently. It had been purchased by the PTO from the movie money, strictly for the benefit of the people interested in the local movies. Some no good worthless bums (I hope that hurts someone's feelings) decided it would be cute to steal the speaker. Now the movies are continuing, but with a speaker borrowed from the work release center. Now these work release folks are people who have made their mistake and are trying to get straight, but I am not sure we have the right folks locked up.

Last Tuesday while in another town, I made a comment about hurrying back to Elba so I could attend the circus. Well, our city government has had so much bad publicity, the people I was talking with thought I meant a council meeting. While correcting this, a female customer of these folks heard "city council" and the fact I was with a newspaper, and assumed we were talking about her town's city fathers. She quickly said she wanted someone to run next time cause she was going to vote against the whole bunch. When she found out I was from Elba, she took a moment to be sympathetic with our problems, and said, "At least you folks know what is going on, and we can't find out anything. . . . it is all done behind closed doors."

MISS ESJC AND RUNNERS-UP Wood, Enterprise, first place. Miss Brenda Bass from was crowned Miss ESJC. New Brockton received second place, 9, 1978 with Pam. Among the twelve Calendar Girls chosen for the 1978-79 year was Melanie Rainer, Elba.

BULLETIN BOARD

This Space Is Made Possible By
NATIONAL SECURITY INSURANCE CO.
Elba, AL
The Elba Jaycees meet the 1st and 3rd Thursdays of each month at 7:00 p.m. at the People's Bank. New members welcome.
ELBA ATHLETIC CLUB - meets each Tues. 7:30 Elba High School Auditorium.
Water and Electric Board - 2nd Tuesday at 5:30 - City Hall
JRD Office on Putnam St. invites participation in ceramic and sewing classes each Wednesday afternoon.
Elba City School Board - 1st Thursday night at 5:00 p.m. - Superintendent's Office.
BPW meets the 2nd Monday night at 7:00 p.m. - Holley's Restaurant
Rotary Club - Each Monday at noon - Holley's Restaurant
Weight Watchers - 21st Chapel High School each Monday night at 6:30 p.m.
Elba Jayceettes - 3rd Monday at 7:30 p.m. at Peoples Bank Bldg. All Jaycee wives invited.
Boy Scouts meet each Monday night at 7:00 p.m. at the pool.
American Legion - meets 2nd Thursday night, 7:30, at Legion Home

Teachers Participating In State-wide Survey

Elba City School teachers are participating in a statewide survey to determine the needs of classroom teachers and find better ways of improving instruction in Alabama's public schools.
The survey, called the Teacher Instructional Needs Assessment, is a joint effort of the Elba City Teachers, the Alabama Education Association, and the National Education Association.
Elba City teachers will be among 40,000 across Alabama participating in the survey. Results of the survey will be of great value in helping local

school personnel determine needs in areas such as discipline, class size, methods of instruction, instructional materials, and many other areas.
According to Elba Education Association president, Mrs. Robert Davis, "This will be an effective way to determine how we can improve education in our community. In many cases it will enable improvements to be made without spending any additional money, but by simply changing the methods we use to do things."

While the survey will be used to gain a classroom impression of classroom situations, the association will also have the ability to determine needs at the local and regional level.

The survey is expected to be completed and results made available by the first of the year.

Dorsey Chairman Elected To Board

Herbert L. Oakes, Chairman, The Dorsey Corporation, Chattanooga, Tennessee, has been elected to the Board of Directors of the National Association of Manufacturers to represent the State of Tennessee.

Mrs. Nelson Surprised With Birthday Party

Mr. and Mrs. Gerald Nelson surprised his Mother, Mrs. Avis Nelson, with a birthday dinner on Sunday, November 12, 1978.
Those present were Orice Nelson, Mr. and Mrs. Gerald Nelson and children, Tawana and Sheila; Mr. and Mrs. James Nelson, Scott and Wendy of Tallahassee, Florida; Mr. and Mrs. O.C. Nelson and Greg, Tallahassee, FL; Carol Nelson of Troy, AL; Mr. and Mrs. R.H. Bullock of Andalusia, AL; Mr. and Mrs. Cecil Clark of Milton, FL; and grandson, Buddy Elliott of S.C. Not present for the occasion was Mr. and Mrs. W.E. Elliot and Laura of Fort Myers, FL.

The occasion was enjoyed by all who attended.

Elba Action 4-H Meets

The Elba Action club met November 13, 1978 in the home of Mrs. Myra Rhodes. The meeting was called to order by the president Stephanie Johns. After group singing, which was led by our song leaders Sandi McCollough and Tony Johns, the vice president, Candy Berry led the pledges to the American and 4-H flags.
The devotion was given by Lulu Powell. Our secretary, Anita Mobley, called the roll and read the minutes of the last meeting. The minutes were approved.
Subjects discussed under business were: A film was shown on how to quit smoking, entitled "Let's call it quits". After the film, the president adjourned the meeting until next month at the same time and place.

Mrs. Fannie Harper Celebrates 90th Birthday

A birthday of much interest to a wide circle of friends was the 90th birthday for Miss Fannie Harper.
"Miss Fannie" as she is affectionately known to her friends entered the Nursing Home on November 29, 1977. She has made a number of friends in the home and takes an active part in the craft program making yo-yos for dolls, bedspreads and cushions, that are sold in the annual Bazaar each year.
She has a lovely smile for everyone who comes by to chat and is most appreciative of the things you do for her.

The "Party Table" was highlighted by a beautiful pot plant of yellow chrysanthemums, a gift from Mrs. Erle Greene. This along with 3 decorated cakes from Laurie Wright, tea, cakes, and tarts, potato chips and punch was served to residents (not listed), relatives and friends: Mildred Murphree, Totsey Rhodes, Dorothy Lillian, Mary Bell Tatum, Lillian Rowe, Camie Johnson, Lorraine Sawyer, Thelma Clark, Mary Dowling, Mrs. Mullins, Flossie Harger, Florie Wright, Louise Liberty, Lurline

Rowe, Lallie Harper, Vivian Harper, Kathlene Hill, Rhoda Cole and Marjorie Pittman from Enterprise.

After the refreshments and congratulations were over Mrs. Fannie opened a number of beautiful and useful gifts. Happy Birthday and may more to a truly lovely lady.

RECORDED, SUSAN KING

ESAA Advisory Committee To Meet

The District-wide ESAA Advisory Committee will meet this Monday night, November 20, 1978, at 7:00 p.m. in Mr. Elmer Taylor's office at the Elba City Board of Education building.

All members are urged to attend this important meeting. Progress of this year's program, plus plans for next year will be discussed.

Outside Alabama - \$7.50 per year; Six Months - \$4.00

Azalea Club Makes Christmas Stockings

Christmas red felt and glitter were spread all over the tables at the Methodist Church Educational Building on November 5, when the Azalea Garden Club held its annual November luncheon and workshop. Under the direction of Mrs. Bancroft Cooper, the 23 members made Christmas stockings which will be hung on the door of the patients' rooms at the Elba Nursing Home. They felt their tireless efforts "pay off" as everyone admired and purchased the handmade articles.

Several articles were donated to sell, including candy made by Mrs. Glennie Parker, Mrs. Doris Hamm, Mrs. June Dabbs, Mrs. Lena Smith, Mrs. Sarah English, Mrs. Lorene Bryan, Mrs. Milla Rowell, and Mrs. Lillian Turner. A homemade cake was donated by Mrs. Bobbie English and chances sold during the day. Resident, Miss Eunora Farris, drew the lucky winner - Mrs. E. M. Warr. Assisting with the day's events were Mrs. Lenore Kennett, Mrs. Sarah English and Mrs. June Dabbs.

The residents and staff wish to express their appreciation to the many people who supported this event. It is because of the interest and desire of the public to help make a happy nursing home, these bazaar and other nursing home programs are successful. To those who donated items, assisted during the day, and those who purchased the items, a special thank you, Christmas presents for each resident will be purchased from proceeds of this bazaar.

Many items remain and the public may still purchase these items between 7 a.m. and 3 p.m. Monday thru Friday.

SOCIAL TALK

Rhonda Wise Weds David Blitz

Temple Beth-Or was the setting October thirteenth at four-thirty o'clock in the afternoon for the marriage of Rhonda Ann Wise and David Mark Blitz, with Rabbi David Baylison officiating.

Mrs. Marion Cannon provided organ music for the ceremony.

Parents of the couple are Mrs. Maureen Owens Wise and Thomas Ganna Wise, Mrs. Charles Schulz and the late Sam Blitz, all of Montgomery.

Given in marriage by her father, the bride wore a candlelight gown of organza and Alencon lace. The dress, with a Queen Anne neckline, featured applique lace on the bodice and sleeves. The flowing skirt fell from an empire waist and was sprinkled with appliques of matching lace. Her fingertip veil of illusion and lace train were accented with the same Alencon lace. She carried a bridal bouquet of white miniature roses accented with statice and baby's breath.

Her maid of honor and only attendant was Miss Julia Coker of Montgomery. She wore a Quiana knit gown of cranberry rose. The gown was fashioned with cape sleeves and a softly draped neckline. She carried a Reuben Lily.

Jeffery Blitz, brother of the groom, served as best man. Russell Blitz, brother of the groom, and Gary Wise, brother of the bride, served as ushers. The ceremony was followed by a seated dinner was held at the Governor's House.

The couple is residing in Montgomery, following a wedding trip to Nassau, the Bahamas.

Three-In-One

Study Club

Meets

The Three-In-One Study Club met in the home of Mrs. L. P. Morrow on November 2 with Mrs. Mayo Prescott as co-hostess. A delicious dinner was served to the following members: Mrs. Pauline Allen, Mrs. Fleetwood Carney, Mrs. James English, Mrs. J. W. Kendrick, Miss Eleanor Lee, Mrs. R. H. Lee, Mrs. Nellie Martin, Mrs. Sam Rowe, Mrs. Sam Sawyer, Mrs. E. M. Warr, Mrs. J. D. Whitman and Mrs. Judson Vaughn.

President, Mrs. Fleetwood Carney, presided over a short business session. After correspondence was read and reading support of St. Jude's Children's Hospital in Memphis, TN, the members voted to make a contribution. The members voted to continue their membership in the Coffee County Arts Alliance, a committee for the sale of articles made by the school for the Blind reported a good annual sale. Called goods were collected for the "Rolling Project" and placed in an attractive basket brought by Mrs. Judson Vaughn.

Mrs. Sam Rowe presented an informative and inspirational talk on the "Origin and Spirit of Thanksgiving."

Story

Reunion

Set

The annual reunion of descendants and friends of James A. and Martha Ann Story will be held Saturday, November 25, in the community room of the Farm Center in New Brockton, Alabama. A basket dinner will be served at noon.

Patricia Clark Becomes Bride Of William Jenkins

Patricia Jane Clark and William Earl Jenkins were united in marriage October 22, 1978, at 4:00 p.m. in the Seventh-day Adventist Church of Dothan. Pastor George Petty officiated.

Parents of the couple are Dr. and Mrs. James H. Clark of Dothan, and Mrs. Jodie Jenkins and the late Hamilton Jenkins of Dothan.

Nuptial music was performed by organist, Mrs. Charles Knapp, and Mrs. Joe Depew, vocalist.

Given in marriage by her father, the bride wore a candlelight gown of organza and Alencon lace. The fitted bodice was heavily adorned with Alencon lace. Pearl clusters outlined the pattern of the lace and decorated the sheer yoke. Long fitted sleeves were accented with lace and pearls.

Her fingertip veil of illusion lace was trimmed with matching lace and pearls.

Matron of honor was Mrs. George Dickey of Montgomery, sister of the bride. Other

attendants were Mrs. Steven Stabler of Auburn and Mrs. Sandra Skinner, sister of the bride, of Montgomery.

Serving as best man was Don Wright of Dothan. Usher-groomsmen were Roger Wieleh, Dothan, and Richard Clark, brother of the bride, of Elba.

A reception was held in the multipurpose room of the church.

After a wedding trip to Honolulu, Hawaii, Mr. and Mrs. Jenkins will reside in Dothan.

A miscellaneous shower was held in the multipurpose room of the church on September 30. Hostesses were Mrs. Hilton Holmes, Mrs. Jerry Hobbs, Mrs. Joe Driver and Mrs. Jamie Mathis.

A church social was held at the church on October 14. Hostesses were Mrs. George Larson and Mrs. Lynn Konig.

The after-rehearsal luncheon was held in the multipurpose room of the church. The hostesses were Mrs. Jodie Jenkins and Mrs. Hilton Holmes.

Miss Morris is a 1973 graduate of New Brockton High School, and is presently employed by Enterprise Electronics Corporation.

The groom-elect is a 1973 graduate of Elba High School and is presently employed by WIRB Radio.

SPORTS

Views From The Pressbox

By Ricky Mulaz, Sports Editor

The high school football playoffs are going full blast and after one week of action, there are definite favorites in all 4 classes. In Class 3A, Sweet Water moved into the favorite's role by blasting previously-unbeaten J. U. Blacksher 44-19. We'll find out how good they are this week when they battle a strong Brantley team.

Elmore County (Eclectic) is a solid favorite in Class 2A, and they shouldn't have much trouble in winning another crown. In Class 3A, the local pick has to be Eufaula. The Tigers whipped Oco 23-3 last week, and apparently are as tough as everybody said.

In Class 4A, I have to pick Jeff Davis. The Vols are 11-0 and haven't even come close to losing all year. After many years of frustration, I hope J. D. can win it all.

Don't look now, but it's also basketball season! There were tournaments all over the place this week, and it appears the county will have several good teams. New Brockton has an extremely young team, but Coach Charles Cole has got the youngsters hustling and the Gamecocks should again be big winners.

Zion Chapel rolled up 86 points in its opening game, and the Rebels might be as strong as some coaches were afraid of.

Kinston has a young but experienced team and could also be big winners. Coach Pete Kelley believes in running and playing sticky defense, and if they can stay out of foul trouble, they may be hard to beat.

I talked with Elba's new Coach Jerry Kirkland earlier this week and he now has hopes for a winning team. The Tigers have almost no experience at all, but they hustle and are willing to work hard. The Tigers might get off to a slow start, but I've got a feeling they'll be tough before the season ends.

I went to the Brantley-Wicksburg game last week and I had almost forgotten how nice everyone in Brantley is. The fans, students and coaches all showed me every courtesy, and it sure felt good.

Willie, it's a great little town you've got there!

I saw Coach Mance Daughtry over in New Brockton Tuesday night and it was good to talk with the former Elba coach. I don't know what kind of players they've got in Brantley, but I'm sure Mance will turn the program around and win a bunch of games.

Good luck!

Ye old Polish Prognosticator did real well last week and expects to breeze through the playoffs.

BRANTLEY-SWEET WATER

The Bulldogs have a good team and they could pull off a big upset. However, Sweet Water will be playing at home, and it could make the difference.

Sweet Water 14 - Brantley 6

OTHER PICKS

Eufaula 24 - T. R. Miller 17
Slocomb 31 - Thomasville 14
Eclectic 27 - Montevallo 8
Demopolis 14 - Lanett 0
Lanier 10 - Vidor 7
Jeff Davis 17 - Berry 10

**Brantley Coach Feels Bulldogs
Must Control Ball To Win**

"We'll have to control the ball if we are to win. They have an explosive club, but if they don't have the ball, they can't score."

Those were the words of Brantley Coach Mike Sasser when asked about Sweet Water, the Bulldogs' opponent this week in the playoffs. "Sweet Water has the most explosive team we've faced in the five years I've been at Brantley," said Sasser. "Their quarterback is an S. E. C. prospect and their entire offensive line is outstanding. Uriah had given up only 30 points all year and Sweet Water scored 30 points on them in the first half. Their offense is just outstanding."

"Offensively," said Coach Sasser, "they run the option real well and put pressure on the defense. They can hurt you running or passing. On defense, they play a basic 5-2

and don't do anything fancy. Their defense is strong and tough."

"We've made a few defensive adjustments," added Sasser, "and hope to give their offense a couple of different looks. I expect a mighty tough game, but if we play as hard as we did last week, we'll have a chance. It's an honor just to play a team like Sweet Water. And to beat them would be something else."

Looking back to last week's 15-0 win over Wicksburg, Sasser stated, "I've never seen a team give as much effort as the boys did last week. It was a tremendous team effort."

"Tony Pynes ran for 124 yards and did a good job at linebacker," said Sasser. "And Tim Hall and Stan Haws played well. The entire offensive line played better than I thought they could."

Elba Tigers Open Basketball Season Tuesday Night Against New Brockton

The Elba Tigers, under the leadership of Coach Jerry Kirkland, open their season on Tuesday night, November 21, when they host the powerful New Brockton Gamecocks.

The "G" game will start at 6:00, with the varsity following at 7:30.

The Tiger varsity will have a 9 man roster, consisting of 6 seniors and 3 juniors. The seniors are Russ Wood, 6-3, Gary Bradshaw, 6-3, Freddie Thomas, 6-2, Perry Fuller, 5-9, Carl Hamm, 5-10, and Marty Marler, 5-9. The junior players are Mike Harrelson, 6-1, Alan King, 6-2, and Jimmy Coleman, 5-10.

"We've been coming along pretty good," stated Coach Kirkland in a recent interview "and we've had some good practices. We've put in both our basic offense and defense, and the boys are picking it up real well. The seniors are providing good leadership, and I think we'll get better as we go."

"My main concern is our lack of varsity experience," added Kirkland. "Russ Wood is our only returning player, so, the other eight boys will have to learn in a hurry. We're looking for Wood to be the nucleus of the team, and we hope to build around him."

"We've done a lot of shooting, a lot of free-throw shooting, and have worked real hard on rebounding," said Kirkland. "We might have a little trouble getting the ball down the court on the fast break early in the season, but that takes time. The boys are willing to work, and I think we'll be okay."

The closing Coach Kirkland said, "New Brockton will have already played three games when we play them, and that will help them. However, we will be at home, and I think we'll do okay."

**Sweet Water Hoping To
Regain Class A Crown**

When the Brantley Bulldogs journey to Sweet Water this week, they will be playing one of the state's top Class A teams. Sweet Water, under the direction of Coach Nolan Atkins, has reeled off 10 straight wins and has the Sweet Water fans hoping for a state title.

This season, Sweet Water has defeated Carrolltown 28-0, Marengo County 42-8, Fossilville 42-12, Leroy 35-0, Coffeeville 48-12, Excel 35-0, Hale County 21-7, Frisco City 42-12, Milby 39-0 and J. I. Blacksher 44-10.

In an interview with Coach Atkins this week, the Sweet Water mentor said, "We're just scared to death!"

"Mike Sasser is a tremendous coach and a super person," stated Atkins. "His teams are always good, as their records indicate. Brantley has the quickest folks we've seen in a couple of years, and they have one of the best fullbacks in the state. The real key to their success is their offensive line. They are quick, strong and really fire off the ball."

"For us to win, we'll have to play a perfect game," added Coach Atkins. "We can't make any mistakes. Brantley takes advantage of mistakes and will beat you before you know it. I expect a very tough game."

Sweet Water, located in west Alabama, has been a football power for many years and over the past five years boasts a combined record of 50 wins, 6 losses and 1 tie.

**Elba Junior High To Open
Cage Season Monday**

The Elba Junior High basketball teams open their season on Monday night, November 20, when they host Geneva.

The 8th graders will play at 6:00 followed by the 9th graders at 7:15 p.m.

New Brockton Smashes Goshen 74-57

The New Brockton Gamecocks jumped into an early 18-2 lead and never slowed down as they defeated the Goshen Golden Eagles 74-57, Tuesday night in the opening round of the New Brockton Tip-Off Tournament.

The tourney will continue tonight with two games scheduled - Enterprise vs. Goshen at 6:30 and New Brockton vs. Clio at 8:00. Friday night Goshen will meet Clio at 6:30 followed by the Enterprise - New Brockton clash at 8:00.

In Tuesday's game, the Gamecocks stunned Goshen by jumping into an early lead behind the shooting of sophomore Robert Wilson. Coach Charles Cole's crew proved to quick

NEW BROCKTON'S.....Ricky Nelson (22) lays in an easy bucket as the Gamecock fast break works to perfection. The Gamecocks opened their season Tuesday night by rolling past Goshen 74-57.

CLASS 9A

Game 9
Vigor-Sidney Lanier at Ladd Stadium, Mobile -- Friday, Nov. 17, 7:30 p.m.

Brantley Blanks Wicksburg 15-0

BY: WILLIE SMITH

In a close football game, the winner is usually determined by the team making the least mistakes. Brantley's 15-0 victory over the Wicksburg Panthers in the opening round of the Class A State Playoffs Friday night was a perfect example.

Brantley played a coach's dream by not turning the ball over a single time, and being penalized only one time for 15 yards; while Wicksburg lost three fumbles, had two pass interceptions, and were penalized six times for 34 yards.

The victory was extremely sweet to the home-team Bulldogs, as it advanced them in playoff competition, and it settled a 20-20 tie with the Panthers in earlier regular season play.

Brantley jumped out in front in the second quarter, after a 56-yard scoring drive with fullback Tony Pynes leading the attack. Pynes, a 175 lb. senior, rammed the Panther line time after time for four and five yards a tick with offensive linemen Ricky Hudson, Billy Christian, Rick Hall, Johnny Walker, Charles

Hammonds and Jim Oros cracking large holes for their ace running back. With 8:29 left in the first half, QB Stan Haws faked to Pynes, stepped back and tossed a seven-yard scoring strike to receiver Richard Dorsey. Haws booted the point after to give the "Dogs" a 7-0 lead.

The third quarter saw Pynes grabbing a Wicksburg miscue that gave Brantley excellent field position on the forty-yard line. From here QB Haws directed his pack of "Dogs" to the Panthers' one-yard line, where he calmly sneaked over for Brantley's second TD of the evening.

Pynes ran the two-point conversion to make the score 15-0.

Wicksburg began their only serious scoring threat on the ensuing kickoff. QB James Maates directed his teammates to Brantley's eight-yard line only to see a five-yard markoff for backfield in motion halt the drive on a fourth-and-one situation. Brantley took over and pounded out valuable yardage that enabled the clock to tick off certain victory for the inspired Bulldogs.

One of the keys to Brantley's victory was without a doubt the outstanding job of preparation by Bulldog Coach Mike Sasser. Sasser saw his Bulldogs in their ninth playoff game in four years, and the playoff experience was another big factor in the game.

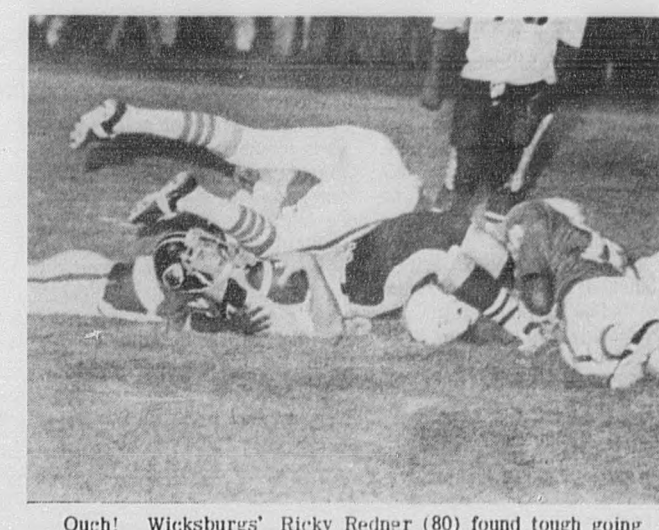

In his fifth season as head coach for Brantley, Sasser captured his 51st win against seven defeats and one tie.

Defensively, Brantley was led by Tim Hall with nine tackles and a pass interception. Hall has played outstandingly throughout the 1978 season. Pynes, Jim Oros and Lavon Christen each recorded six tackles with Pynes also getting two fumble recoveries. Billy Christian and Terry Singleton had a fumble recovery and a pass interception respectively.

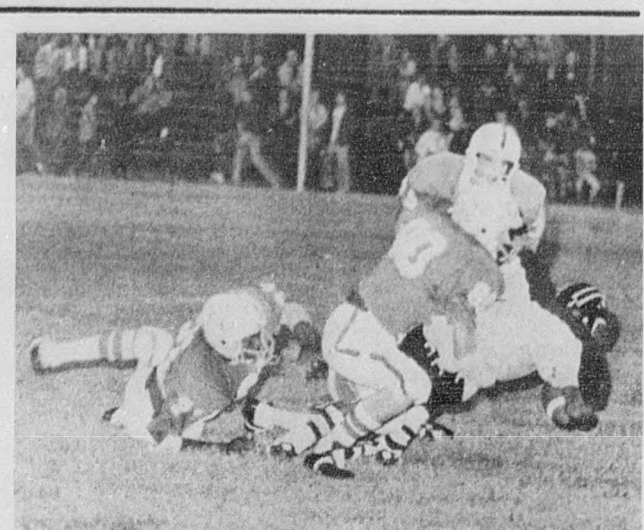

Pynes led the Brantley offense with 124 yards on 23 carries with Tim Hall adding 54 yards on 12 attempts. Haws passed for 43 yards with eight completions and a pass interception. Oros caught three for 31 yards.

Brantley quarterback Stan Haws (1) squeezes through two Wicksburg defenders to score the Bulldogs' second touchdown. The score put Brantley ahead 15-0 as the Dig rolled on to Round 2.

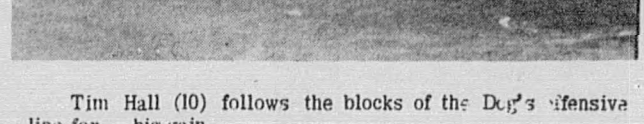

Ouch! Wicksburg's Ricky Rodner (80) found tough going against the improved Bulldog defense.

Jim Oros (80) throws down a Panther runner in Brantley's 15-0 playoff win over Wicksburg.

Tony Pynes (39) breaks through a gaping hole and heads upfield on route to a big gain. Pynes, a 175 pound, fullback, rushed for 124 yards in the victory over Wicksburg.

Tim Hall (10) follows the blocks of the Dogs' offensive line for a big gain.

conducted this workshop, and they are standing in the rear. Livestock Farm Management, and Mr. Larry Roberts, Extension - Farm Management

conducted the all-day workshop. From left to right are: Ruth Wagner, Ione Wise, Betty Boutwell, Irma Warr, Sara Strong, Jean Moore, Marjorie Harrison, and Myrtle Ward.

THANKSGIVING Each November Americans begin to eagerly look forward to the holiday season. We also get a little nostalgic and try to remember what we learned in school about the first Thanksgiving.

The first Thanksgiving, celebrated in 1621, is often depicted as a lavish feast. This is probably more fantasy than fact. The early pilgrims were very conservative, had few possessions, and had nearly exhausted their supplies brought from England. They served more food at their Thanksgiving meal than their ordinary daily fare, but it was by no means a "feast."

Later, Thanksgiving was truly celebrated by feasting. The Puritans in New England refused to celebrate Christmas because of their rebellion against the Church of England, and Thanksgiving, the totally American holiday, became a principal celebration. However, it wasn't until 1863 that President Lincoln officially proclaimed the last Thursday in November as Thanksgiving Day and a national holiday.

A number of foods served today were probably served at the first Thanksgiving dinner: corn, cranberries, sweet potatoes, squash, and beans. Turkey was not served at the first Thanksgiving dinner, but there was a generous supply of game and fish.

FAST FOOD MEALS - NUTRITION Recent studies have indicated that by 1980, Americans will be eating half their meals outside the home. Many of these meals will be eaten in fast food restaurants. This is not surprising since we see numerous new fast food restaurants being built in convenient locations, the food is filling, and it's relatively inexpensive. The results of a recent study conducted by Howard Appleford showed that all fast foods contained nutrients in some quantity. Hamburger meals, chicken dinners and pizza contained high protein levels.

Another significant finding from the study was that "typical" fast food meals were too high in calories for the amount of nutrients provided. The fast food tended to contain more fats and carbohydrates than are needed at one meal. Also, they were low in a few vitamins and minerals, especially Vitamin C and iron. The beverages were especially high in calories. Colas averaged 111 calories and shakes averaged 384 calories. A steady, exclusive diet of fast food meals is not recommended for good nutrition. However, meal planning can include occasional fast food dining, but watch the calories and vitamin level of the other meals.

THE HAPPY HOLIDAY MOOD OF SNACKING AND SHARING During the holidays and throughout the year, snacking is the source of "sumptuous" calories. Snacking is associated with some basic needs -- the need for food, the need for fun. Snacking is a way to be with others, to be accepted,

COUNTY FARM AGENT

TOM CASADAY

4-H We have some first class young people in Coffee County. I was reminded of this as I met with the New Hope 4-H Club Wednesday. I had not met 4-H Clubs in charge of the meeting for about 12 years. But our young people are still the same -- enthusiastic and eager to learn. The members are interested in doing things. For example, this month we will have a woodworking demonstration and are building a carpenter's tool box. They are very interested in this. Older 4-H club members like to enter group activities and learn about different things. Tony Liprot is president of the New Hope elementary club. Ken Downing is president of the junior club and David Sanders is president of the senior club. I was impressed with the excellent help that Mr. Bob Andrews, Mr. Ken English and Mr. Glenn Reeder gave as leaders.

RESTRICTED USE Andy Wilson of Con Agra called me a few days ago asking about the training and restricted use pesticide dealers. This year's annual training and licensing meeting will be held in New Brockton November 23, in the Community Room. The meeting will begin at 9:00 a.m. and will conclude with the examination at 2:00 p.m. Coffee County pesticide dealers who cannot attend the November 23 meeting in New Brockton might want to go to the meeting in Headland at the Wiregrass Experiment Station on November 28.

NEW PUBLICATIONS "Buying Pork" is the title of a new publication written by Susan Reynolds of Auburn. Circular A-27 gives excellent information on buying, storing, and cooking pork. If you would like to have a copy call us at 894-5536 and we will mail you this valuable meeting.

COFFEE CONSERVATION NEWS

BY: Bill Hughes

SOILS AND SEPTIC TANKS A septic tank can either give satisfactory use or be a disaster, depending on soil types, according to W. B. Ling, head of the U.S. Department of Agriculture's Soil Conservation in Alabama.

"Rapid expansion in the suburbs and a new emphasis on rural living has greatly increased the number of septic tanks and absorption fields being installed," Ling said, "although septic tank disposal systems have been in use for several decades in both rural and suburban communities, many costly mistakes have been made that might have been avoided."

The most satisfactory system probably is one in which the sewer line leads to an underground septic tank in the yard and the overflow disperses over a fairly large area through a drainfield gravel, or perforated pipe. The tile or pipe is laid in trenches or in a seepage bed and covered with soil. The soil is planted to grass, and no part of the system is visible.

"Such a system should function well for many years if properly installed and maintained, and if the soil in the disposal areas is satisfactory," he explained. "If the soil is not satisfactory, the septic disposal system will not work properly regardless of how well it is installed."

"In planning a septic tank sewage disposal system, first find out if the soil can absorb the liquid sewage, or effluent, that flows from the septic tank. Some soils absorb effluent rapidly, others slowly."

"The effluent must be absorbed and filtered by the soil, otherwise, it may reach the surface or may contaminate ground water. Unfiltered sewage that reaches the surface smells bad and attracts flies and insects, and can be the source of disease," Ling emphasized.

"Knowing the absorption capacity of the soil also helps you determine the size of absorption field you need," he continued. "The slower the rate of absorption, the larger the field you need. If the soil on your lot has a slow rate of absorption, you may need an absorption field larger than your lot. Local ordinances may prohibit your installing a sewage system and thus prevent your building a house, and some soils, regardless of the size of the lot, are not suitable for use as septic tank absorption fields."

In Coffee County, Orangeburg, Red Bay, Lacy and Troop soils are considered suitable for septic tank systems. According to Ling, a published soil survey can help in planning a disposal system. This survey, now being published, includes descriptions of soils, interpretations of soil use, and maps showing the locations and extent of each kind of soil. In some places, the soil changes within the distance of a few feet.

Before planning your sewage disposal system, become familiar with the health regulations in Coffee County, the permit and inspection requirements, and the penalties that may be imposed for violations. Such information is available from the city or county planning commission, health department, extension specialist and state board of health. Further information is available in Agriculture Information Bulletin #349, published by SCS and entitled "Soil and Septic Tanks," available from your local Soil Conservation Service Office, P. O. Box 333, New Brockton, AL 36351.

Members of invited to attend are: Mr. Heflin Smith, Mr. Harrell Carroll, Mr. Gene Cullis, Mr. Philip Martin, Mr. Colley Pittman, Mr. Frank Britt, Mr. Norman D. Green, Mr. Larry Parker, Mr. Neal Addison, Mr. Benji Moates, Mr. Joe Danley, Mrs. Roy Ellis and Rev. Harry Rhodes.

FARM RECORDS Twenty-five Coffee County farm wives attended a farm records workshop recently. This is the first time we have presented this type of program, especially for wives of farmers. Mr. Larry Roberts and Mr. New Brockton might want to go to the meeting in Headland at the Wiregrass Experiment Station on November 28.

I thought it was an out-of-a new publication written by Susan Reynolds of Auburn, go to Mrs. Sara Hutchinson Circular A-27 gives excellent information on buying, storing, and cooking pork. If you would like to have a copy call us at 894-5536 and we will mail you this valuable meeting.

New Lunchroom At EHS

Elba High School has a new, long-awaited facility - a new lunchroom. The students are very proud of it, and it hardly wait to get in it. No more long walks to the Middle School! We can now relax and dine in our very own cafeteria.

Junior Beta Club Meets

The Elba Junior Beta Club met Thursday, November 9, in a joint session with the Sr. Beta Club. Our guest speaker was Policeman Max Rayborn. He talked and answered our questions about the improvement of the City of Elba. We then enjoyed refreshments prepared by the Refreshment Committee. Our latest money-raising project was selling shampoo. The two top sellers were Cara English and Stacey Carpenter. They received \$25 each.

New Wheels For ESJC

President B. A. Forrester and staff members are shown viewing the new Enterprise State Junior College activities bus. The bus seats 44 in reclining seats, is air-conditioned, and is equipped with stereo. It will be used by the athletic teams and student personnel department.

Zion Chapel Rebel News

LIA LOWERY - EDITOR

Zion Chapel Has New Principal

Last week Zion Chapel got the news that Mr. Douglas Green would no longer be its principal. It was sad news to all of us, faculty and students alike, because he has been more than just our principal—he has been our friend. It's hard to put into words exactly how the news was received but let it be known far and wide that it was not received gladly. However, we must be happy that Mr. Green is going on to a new job with the county because that was his decision for his own reasons. We know that it was not a decision made lightly. He and Mrs. Green spent many hours, weighing the pros and cons before making this decision. This does not make it any easier for us to accept that we will not see him daily.

Our new principal is Mr. Letcher Mitten II. We are looking forward to getting to know him better and we know that Mr. Green is going on to a new job with the county because that was his decision for his own reasons. We know that it was not a decision made lightly. He and Mrs. Green spent many hours, weighing the pros and cons before making this decision. This does not make it any easier for us to accept that we will not see him daily.

BY: WILLIE BERRY AND GREG EAGERTON

Z Club Gets Off To Good Start

The Zion Chapel Z Club has gotten off to a great start this year. The main purpose of this club is to promote a feeling of self-pride and accomplishment in athletics.

What If.....

The Driver's Ed. car was a hot rod. Kevin Ward weighed 200 pounds. Zion Chapel Rebels were the Zion Chapel Yankees. Willie D. got laryngitis. Sheila K. hated school. The library closed (DeWayne, Andy and Larry would go crazy). Zion Chapel had its own Dairy Queen. Studying was one of our student's favorite pastimes in- stead of rolling yards, Keith Costner got a job changing spark plugs in diesel. Corky's stone would stay in his ring. All the seniors were satisfied with their portraits. The teachers rolled the student's yards on Halloween. There weren't any study halls to be stuck in. The three crews that rolled Mrs. Bryan's yard would come clean it up.

Seniors Of The Week

SHARON MILES
Age: 17
Parents: Mr. and Mrs. Frank Miles
Hair: Brown
Eyes: Brown
Height: 5' 7"
Hobbies: Basketball, women's fast cars, and sleeping
Favorite foods: Hamburgers and french fries
Favorite subject: Government
Career plans: Go to college.

STEVE DOWNING
Age: 18

News From The Young Rebels

Zion Chapel Elementary School recently crowned Harvest King and Queen. For 1978-1979, Harvest King is Chris Sunday, son of Rev. and Mrs. Charles E. Sunday. He is a member of the kindergarten class. Harvest Queen is Teressa Owens, daughter of Mr. and Mrs. Joe Ray Owens. She is a member of the second grade class. The new Harvest Queen was crowned by Dana Wambler, Harvest Queen for 1977-1978, and the new King was presented a gift from the kindergarten class. Harvest King is Teressa Owens, daughter of Mr. and Mrs. Joe Ray Owens. She is a member of the second grade class. The new Harvest Queen was crowned by Dana Wambler, Harvest Queen for 1977-1978, and the new King was presented a gift from the kindergarten class. Harvest King is Teressa Owens, daughter of Mr. and Mrs. Joe Ray Owens. She is a member of the second grade class. The new Harvest Queen was crowned by Dana Wambler, Harvest Queen for 1977-1978, and the new King was presented a gift from the kindergarten class.

Guess Who?

She still has the same ole smile. And she's been going to Z.C. for a while. She's always full of cheer and will graduate this year. Her last name happens to be.....!
